## All Junior's / VSPSSA Finals at MSAC

This is the last event for this years swimming season. We as a club will have 40 children swimming at the All Junior's event. It is exciting for the children to experience swimming in this professional environment and also for the parents watching and supporting them. The semi finals will run on Saturday and the finals on Sunday. The finals of the VSPSSA will run on the Monday making this a long weekend for some of our swimmers. Good luck to all the kids from our club who are swimming in either or both events.

***A sincere Thank you to all parents who have supported the swimmers over a long swimming season. Driving children to early morning or evening sessions and to district and other carnivals is recognized!! Thank you also to all of you who have helped with timekeeping and other duties, so that our children can compete!!***

District Championships March 2007

### **Inside This Issue:**

Regional  
Development  
Day

Club  
Championships

Club Break-up

Easter egg drive  
AGM

### **Trivia Night**

The proposed Trivia fundraising night was postponed due to several families being away during the school holidays. We will reschedule this event for early next swimming season (possibly in October after Football is finished!)

## Easter egg's

Thanks to everyone who was able to support the club with selling or purchasing the Easter eggs. The eggs proved to be very good value too, with each bag being \$1 cheaper than both Safeway and Clint's!! **Any outstanding monies, please give to Deanne as soon as possible.**

## Coach's corner

*To all our swimmers: do your very best and enjoy the experience at "ALL Juniors". We will enjoy supporting you all. Good luck!*

*Good luck also to all the kids swimming on Monday at the finals of the USPSSA State Swimming Championships. Go well!*

*Shirley*

A great turnout for the championships eventuated in a great day! The weather proved a bit chilly but the Nyah Pool was a lovely environment as usual. Thanks to all Mum's who brought a salad to share, and everyone who helped with the running of the day.

## Regional Development Day

This was a very enjoyable and informative day for the kids, Parents, Swim Teachers and Coaches who were able to attend. Although it is true that we have heard the same message from our own head coach, a different approach can benefit some children, and repetition is almost always helpful for everyone! These Development days are run through the District in conjunction with Swimming Victoria. It is important to attend and support these days so as to ensure we will be considered for these days again in future years. Thank you to all the families who came and supported the day.

## Club Breakup

Don't forget the ***Club Break-Up / Presentations on Saturday 28<sup>th</sup> April 2007, at Pental Island Caravan Park.***

This is usually a terrific family day when we can wind down, socialise and acknowledge our kids achievements for the swimming season.

Presentations will start at about 7pm, but the fun and socialising will commence in the early afternoon.

The club will provide a BBQ tea for all.

If any families wish to stay for breakfast please book a cabin through the office at the Caravan Park.

See you all there!!

## Swimming Season 2007 / 2008

Swimming training will recommence the week of 18<sup>th</sup> of June, for two sessions per week .At the commencement of term 3 the full training will commence in preparation for the 2007/08 swimming season. Make sure you maintain your fitness by doing some sport during the break. This year we hope to also have the Dry-Land training back on Wednesday nights.

***Club AGM will be held on Tuesday 15th May at the Swan Hill Club meeting room. Please come along, all most welcome.***
