December Bulletin -Week1

Just a few notes for the next week!

The **Country Championship Tee Shirt** has been agreed on! The style is "Winning Spirit" and the colours are Navy with red slash inserts. Wendy and Kaye at McAlpines Sewing Centre are aware of the choice for our club and have the correct embroidery colours (different from other tee shirt).

The consensus is to keep out Club Tee as it is, and to just have a new tee Shirt for the Country Championship Team each year.

Please can all the swimmers who are attending Country Championships, please try on a tee Shirt so that we can get the orders in next week.

It is very difficult to order tee shirts after Christmas as the manufacturer's close for a few weeks. If we don't get them in soon we will not have them for Countries.

So, if you want a good fit, please try on this week or early next!

RE-Order of Bathers

Please put your order on the notice board as we are about to submit another order. The bathers have been very popular with the swimmers and have been much admired at carnivals! So we decided to stick with this design for now, hence the re-order.

Carnivals

A request from **Gaye Wilson** who is the person busily working out the Club Points System after each carnival Meet.

The points system is a very effective tool to help identify the swimmers who are achieving personal best times.

The swimmers also accrue points for each carnival attended despite the time swum.

Because we are attending different meets, Gaye is finding it hard to keep track of all the results.

Please if you are attending a meet please organise someone to have collect the results from the compilers at the end of the day and forward them to Gaye.

Great Results!

Just a note of congratulations to all of our swimmers who have been swimming well and achieving personal best times at the recent spate of Carnivals.

At the Shepparton Meet recently swimmers complained of the cold slow pool!!!!

Despite this, Georgie picked up a medal for 3rd place in her 100 Fly (15/16 yrs) Kyra Bennett took an amazing 7 secs off her Free to achieve Country Qualifying Times.

Laura stripped 5 secs off her 100 Breast in a personal Best time.

Brianna, Pete, Kaitlyn, Angus and Patrick all swam close to their PB's.

A good effort by all!

On the same day a team of Two Bays swimmers swam in Donald.

Aidan Wilson set 4 new records in the 16/17 yr age group.

Vaughn also set new records in 3 events and Melissa Sambrooks set 2 new records! How's that for a day out?

All the other swimmers in attendance swam PB's or close to and so the club finished 2nd on the overall score Board for the day! Well don all!

Special mention goes to Nyree Renney as a chief contestant for this year's Darryl Award! Trevor reported that Nyree had travelled the www.nowhereroute.com on her way to Donald, but did manage to make it after all!

Don't worry Nyree I'm sure someone will beat that! After all women don't read road maps!

Bar-rook results in next bulletin!

Those of us who attended **Echuca** enjoyed the day, under cover!

Georgie placed third in the 15/16 100 Breast, and Brianna took 5 secs off her 100 Breast, despite the night before being spent pounding on the Town Hall floor boards with the end of year Ballet recital !

Kaitlyn too proved to be a trooper, both on stage at the recital until 11pm and swimming a PB in her Free the next day!

Angus swam very well and just missed out on a place in the back and breast! Pete, Darcy and Laura swam well and showed great consistency in their times.

Well done all!

Heres to a great Southern Mallee result!!

Go Two Bay's!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
