

**Nyah Two Bays / Swan Hill
Amateur Swimming Club Inc.**

PO Box 1516 Swan Hill 3585

Important Information relating the the use of therapeutic mediation in Sport.

Please be advised that asthma medications (including asthma prevention medication) are classified as prohibited substances by the World anti – doping authority ,and adopted as such by the Australian Sports Anti-Doping Authority (ASADA).

It is important that each swimming competitor will advise the Australian Sports Drug Medical Advisory Committee (ASDMAC) if they are currently using any prohibited substance as a therapeutic agent.

Please find the relevant forms on our website under Registration.(FINA Therapeutic Use Exemption Form-Asthma)or at www.swimmingvictoria.org.au

It is necessary for you to have these forms completed by your GP and it will be useful to attach a GP management plan (as per attachment) with this form.

If you have any queries regarding banned substances please log onto the ASADA website , or speak with one of the coaches .

Signed : Paula Hession
