2022-2023 Fees

Club Membership

All swimmers (and at least one parent/guardian per family) MUST register with Swimming Victoria to become financial members of NTBSH Swimming Club. **Membership is to be paid via Swim Central.** Registration incorporates the Swimming Victoria fee, a Swimming Australia levy and the NTBSH Club Membership fee (outlined in the members handbook). It allows swimmers to enter any qualifying carnival Australia wide and, importantly, provides insurance coverage. This is an annual membership covering the financial year (July – June).

Coaching Levy

A Coaching Levy is payable by ALL swimmers for each Term that is swum. Payment is due within the first month of the Term. Payment to be made via Team App (surcharge applies).

Term 1 (Jan – Mar)	\$60 per swimmer
Term 2 (Apr – June)	\$30 per swimmer
Term 3 (July – Sept)	\$30 per swimmer
Term 4 (Oct – Dec)	\$60 per swimmer

* Swimmers only pay for the Terms they swim, regardless of the number of sessions attended.

Families with more than one swimmer will need to pay the full Coaching Levy for the first child, but will receive a 25% discount for the second, and a 50% discount for the third and any subsequent children.

Pool Entry Fees

We encourage all swimmers to become members of the Belgravia Leisure Centre as they are great supporters of our Club. A Belgravia Leisure membership is more cost effective if training more than 1 session per week. The membership gives you unlimited access to the Indoor 25m pool and Swan Hill Outdoor Pool over the summer months. Without a membership, Casual Squad Entry is **\$7 per swimmer per session**. If you choose to join Belgravia Leisure as a member, please arrange payment with the Leisure Centre directly.

Please note: Swimmers Under 10 must be accompanied by a parent/guardian over the age of 16.

Medical Conditions

Are there any existing medical conditions that the Club need to be aware of so that we can have an adequate emergency plan in place to ensure the swimmers safety:

Photographic Consent

Our Club likes to celebrate the efforts and achievements of our swimmers. As a result, we may publish images onto our website, social media (Facebook/Instagram) and in the local media.
